This digital-only publication features the top legal talent recipients in Corporate Law and Commercial Litigation, which make up roughly 20% of all listings in *The Best Lawyers in America*® and 30% of all listings in *Best Lawyers: Ones to Watch in America*. Along with these two specialties, more than 70 other specialties are included in this digital publication, officially making it our largest and most comprehensive digital publication to date.

Justin Smulison authored the feature article which includes legal insight and commentary from General Counsel and Vice President of Corporate Development Jim Jenkins of Transcat, Inc., Chief Legal Officer Jeffrey Bleich of Cruise, Founder and Former Deputy General Counsel Christina Ayiotis of Cybersecurity Law Institute and SVP & Chief Legal Officer Lawrence Greenberg of The Motley Fool.

In addition to the editorial and list of recognized lawyers, the award methodology and a brief company overview are also presented. ABOUT BEST LAWYERS

Best Lawyers is the oldest and most respected lawyer ranking service in the world. For more than 40 years, Best Lawyers has assisted those in need of legal services to identify the lawyers best qualified to represent them in distant jurisdictions or unfamiliar specialties. Best Lawyers awards are published in leading local, regional and national publications across the globe.

Lawyers who are nominated for consideration are voted on by currently recognized Best Lawyers

working in the same practice area and located in the same geographic region. Our awards and recognitions are based purely on the feedback we receive from these top lawyers. Lawyers are not required or allowed to pay a fee to be listed; therefore, inclusion in Best Lawyers is considered a singular honor. Those who receive high peer reviews undergo a thorough verification process to make sure they are currently still in private practice. Only then can Best Lawyers recognize these top lawyers.
