Best Lawyers Announces 2023 Edition of *The Best Lawyers in Austria™*

AUGUSTA, Ga., 24 June 2022 — As the oldest and most respected guide to the legal profession globally, Best Lawyers® is pleased to announce the release of the 13th edition of *The Best Lawyers in Austria™* which honors the professional excellence of 490 lawyers in 49 practice areas.

Lawyers who are nominated for consideration are voted on by currently recognized Best Lawyers working in the same practice area and located in the same geographic region. Our awards and recognitions are based purely on the feedback we receive from these top lawyers.

“We are proud to continue honoring the talented and deserving lawyers identified by their peers in Austria,” said CEO of Best Lawyers Phillip Greer.

In addition to historic individual lawyer recognition, 29 lawyers were recognized as “Lawyer of the Year” honorees and eight firms have been named “Law Firm of the Year” award recipients. “Lawyer of the Year” awards are bestowed to only lawyers with the highest overall peer-feedback for a specific practice area and geographic region. They are determined based on a handful of factors, including feedback from lawyers recognized by Best Lawyers on individual lawyer and firm-wide work, the size and coverage of the firm in a specific practice area, historical analysis of the firm’s “Lawyer of the Year” awards in this area and research surrounding the firm’s overall scope and areas of expertise.

For research purposes, smaller and more rural cities located within a reasonable distance to larger cities are combined into single geographical regions called “metro areas” to help collect as much feedback and data as possible. Vienna is the metro area with the largest number of listed lawyers in Austria.

Best Lawyers lists have used a Purely Peer Review™ methodology for more than 40 years and are the preeminent guide to the legal profession. The methodology is designed to capture, as accurately as possible, the consensus opinion of leading lawyers about the professional abilities of their colleagues within the same geographical area and legal practice area. Lawyers are the best resource to provide feedback on the caliber of work performed by their peers.
