## About Best Lawyers

Best Lawyers is the oldest and most respected peer-review research and accolades company in the legal profession. Our data is a trusted resource and valued reference, not only for legal professionals, but for the clients and business partners they serve. Best Lawyers compiles extensive recognitions by conducting exhaustive peer-review surveys in which tens of thousands of leading lawyers confidentially evaluate the work of their fellow legal professionals within their local market and specialty. Best Lawyers awards are published in leading local, regional and national publications across the globe. Our awards and recognitions are based purely on the feedback we receive from these top lawyers. Lawyers are not required or allowed to pay a fee to be listed; therefore, recognition by Best Lawyers is considered a singular honor. Candidates can only be considered for one recognition at a time, either "Best Lawyers: Ones to Watch" or traditional Best Lawyers awards. "Best Lawyers: Ones to Watch" is not a seed list to *The Best Lawyers* and all hopeful candidates must be nominated and vetted by their peers recognized in Best Lawyers.
