In addition to the list of recognized lawyers, the publication features notable firms working in the Real Estate and Infrastructure practice areas across the nation. ABOUT BEST LAWYERS

Best Lawyers is the oldest and most respected lawyer ranking service in the world. For 40 years, Best Lawyers has assisted those in need of legal services to identify the lawyers best qualified to represent them in distant jurisdictions or unfamiliar specialties. Best Lawyers awards are published in leading local, regional and national publications across the globe.

Lawyers who are nominated for consideration are voted on by currently recognized Best Lawyers working in the same practice area and located in the same geographic region. Our awards and recognitions are based purely on the feedback we receive from these top lawyers. Lawyers are not required or allowed to pay a fee to be listed; therefore, inclusion in Best Lawyers is considered a singular honor. Those who receive high peer reviews undergo a thorough verification process to make sure they are currently still in private practice. Only then can these top lawyers be recognized by Best Lawyers.
