About Best Lawyers

For more than four decades, Best Lawyers has assisted those in need of legal services to identify the lawyers best qualified to represent them in distant jurisdictions or unfamiliar specialties. Candidates can only be considered for one recognition at a time, either "Ones to Watch" or traditional Best Lawyers awards. *Best Lawyers: Ones to Watch* is not a seed list to *The Best Lawyers* and all hopeful candidates must be nominated and vetted by their peers recognized in Best Lawyers. Lawyers are not required nor allowed to pay a fee to be listed; therefore, recognition by Best Lawyers is considered a singular distinction.
