## **Best Lawyers® CEO Phillip Greer Interviews *Best Lawyers: Ones to Watch* Honoree Camille Vasquez**

AUGUSTA, Ga., June 20, 2022 — Camille Vasquez, newest partner of Brown Rudnick, sat down with Phillip Greer, CEO of Best Lawyers®, the oldest and most respected purely peer review guide to top talent in the legal profession, to discuss her illustrious, and now very publicized, career.

“Camille Vasquez has been identified by her peers in the legal industry for several years now as a lawyer to watch through Best Lawyers’ rankings,” said Greer. “During the televised defamation trial of *Depp v. Heard*, the world was able to witness what her peers have recognized—her impressive trial skills and legal acumen. It was a privilege to sit down for an interview and talk with Camille about everything from her parents’ influential advice to her courtroom strategy.”

Greer and [Vasquez](#) discuss how her involvement with the mock trial team at her high school led her to the field of law, how a partnership with Robert Shapiro was a highlight in her collegiate career, how her preparation and determination set her up for a place on the [Brown Rudnick](#) team leading the cross-examination and closing arguments of the *Depp v. Heard* trial and how cooking, Picadillo particularly, provides a respite from her busy life.

This interview, exclusively published on [bestlawyers.com](https://bestlawyers.com), is available in both an audio and written format.

### **ABOUT BEST LAWYERS**

Best Lawyers is the oldest and most respected lawyer ranking service in the world. For more than four decades, Best Lawyers has assisted those in need of legal services to identify the lawyers best qualified to represent them in distant jurisdictions or unfamiliar specialties. Best Lawyers awards are published in leading local, regional and national publications across the globe.

Lawyers who are nominated for consideration are voted on by currently recognized Best Lawyers working in the same practice area and located in the same geographic region. Our awards and recognitions are based purely on the feedback we receive from these top lawyers. Lawyers are not required or allowed to pay a fee to be listed; therefore, recognition by Best Lawyers is considered a singular honor.

[Best Lawyers: Ones to Watch](#) awards are given to attorneys earlier in their legal careers. An awarded lawyer can be recognized for multiple years but cannot indefinitely remain recognized in the Best Lawyers: Ones to Watch list. Best Lawyers: Ones to Watch is not a seed list to Best Lawyers and all

hopeful candidates must be nominated and vetted by their peers recognized in Best Lawyers. Those who receive high peer reviews undergo a thorough verification process to make sure they are currently still in private practice.
