## **ABOUT BEST LAWYERS**

Best Lawyers is the oldest and most respected lawyer ranking service in the world. For more than 40 years, Best Lawyers has assisted those in need of legal services to identify the lawyers best qualified to represent them in distant jurisdictions or unfamiliar specialties. Best Lawyers awards are published in leading local, regional and national publications across the globe.

Lawyers who are nominated for consideration are voted on by currently recognized Best Lawyers working in the same practice area and located in the same geographic region. Our awards and recognitions are based purely on the feedback we receive from these top lawyers. Lawyers are not

required or allowed to pay a fee to be listed; therefore, inclusion in Best Lawyers is considered a singular honor. Those who receive high peer reviews undergo a thorough verification process to make sure they are currently still in private practice. Only then can Best Lawyers recognize these top lawyers.
