AUGUSTA, Ga., 16 November 2021 — Best Lawyers®, the oldest and most respected guide to the legal profession globally, is pleased to announce the release of the 12th edition of *The Best Lawyers in Chile™*.

The 2022 edition of *The Best Lawyers in Chile* recognizes the professional excellence of 986 lawyers in 53 practice areas, including 39 “Lawyer of the Year” honorees. “Lawyer of the Year” honors are awarded to only one lawyer per practice area in each region with extremely high overall feedback from their peers, making it an exceptional distinction.

“Best Lawyers was founded 40 years ago to recognize the exceptional accomplishments of top legal professionals,” says Best Lawyers CEO Phil Greer. “In 2009 we expanded our recognitions to include *The Best Lawyers in Chile*. We are proud to continue our unique peer-review methodology to present these prestigious awards to deserving lawyers in Chile.”

“Law Firm of the Year” awards recognize a single top firm for its work in a specific legal practice area nationwide. Awards are determined based on a handful of factors including lawyer feedback, the number of lawyers included in Best Lawyers for that firm and practice area, the number of office locations a firm has, historical analysis of the firm’s “Lawyer of the Year” awards, materials submitted by firms and the firm’s overall scope and areas of expertise.

Lawyers who are nominated for consideration in *The Best Lawyers in Chile* are voted on by currently recognized Best Lawyers working in the same practice area and located in the same geographic region. Our awards and recognitions are based purely on the feedback we receive from these top lawyers. Those who receive high peer reviews undergo a thorough verification process to make sure they are currently still in private practice. Only then can these top lawyers be recognized by Best Lawyers.

For research purposes, smaller and more rural cities located within a reasonable distance to larger cities are combined into single geographical regions called “metro areas” to help collect as much feedback and data as possible. Santiago is the metro area with the largest number of listed lawyers.
