Best Lawyers Announces Global Business Edition

AUGUSTA, Ga., Oct. 5, 2020 -- Best Lawyers, the oldest and most respected guide to the legal profession, is pleased to announce the fifth annual Global Business Edition was published on Friday, October 2, 2020. The publication highlights more than 40,000 lawyers recognized by Best Lawyers for their top legal talent from 28 countries worldwide.

This year's Global Business Edition covers topics that are common concerns in today's legal and political landscape as the coronavirus pandemic persists through 2020.

In honor of National Cybersecurity Awareness Month, the cover story by Santosh Aravind, partner at Scott Douglass & McConnico LLP, discusses the growing threat of email phishing schemes and how businesses can fight back against third-party fraud.

The most recent "Law Firm of the Year" awards are included in the Global Business Edition. Overall, Best Lawyers awarded 265 "Law Firm of the Year" recognitions across 16 countries. "Law Firm of the Year" awards recognize a single firm for its work in a specific legal practice area. Awards are determined based on a handful of factors including: lawyer feedback, size of the firm, historical analysis of the firm's "Lawyer of the Year" awards, and the firm's overall scope and areas of expertise.
