FOR IMMEDIATE RELEASE

Best Lawyers® Announces the 2023 editions of *The Best Lawyers in Spain™* and *Best Lawyers: Ones to Watch in Spain™*

AUGUSTA, Ga., 17 November, 2022 – [Best Lawyers](#) announces the release of the 2023 editions of *The Best Lawyers in Spain* and *Best Lawyers: Ones to Watch in Spain*. These editions honor the professional accomplishments of the top legal talent across the country who were selected by their peers through Best Lawyers' thorough Purely Peer Review™ awards process.

"We are delighted to present the 2023 awards for Spain and congratulate the exceptionally talented lawyers and firms recognized," said Best Lawyers CEO Phillip Greer. "Last year we furthered our mission to provide reliable and unbiased resources to identify the top legal talent professionals with our 'Ones to Watch' honors. It is our privilege to continue our globally respected purely peer-review methodology for lawyers at every level in their career through these recognitions."

Best Lawyers believes the quality of our survey directly relates to the caliber of voters, so only lawyers who were previously recognized by Best Lawyers were invited to review their constituents for the 2023 recognitions. Best Lawyers analyzed more than half a million evaluations, resulting in the recognition of only 5,002 lawyers in Spain within both Best Lawyers awards lists.

The 15th edition of *The Best Lawyers in Spain* also includes "Law Firm of the Year" awards. These firm-wide awards are specific to a country and practice area, and they are factored by lawyer feedback and case matters as well as firm size, scope and coverage. 19 "Law Firm of the Year" recognitions were bestowed to 17 firms. Law firms Pérez-Llorca and Uría Menéndez Abogados were awarded multiple "Law Firm of the Year" accolades this year.

Another specialty distinction presented in this release is "Lawyer of the Year" commendations, which were awarded to 206 individuals. This highly coveted honor is only bestowed on one lawyer per practice area in each region with the highest overall feedback from their peers.

Using the same [transparent methodology](#) and survey process that has made Best Lawyers the gold standard for legal rankings worldwide, Best Lawyers honors [lawyers earlier in their careers](#) via the *Best Lawyers: Ones to Watch in Spain* awards. In the second edition of *Best Lawyers: Ones to Watch in Spain*, fewer than 600 lawyers were selected by their peers to be included and commended for their outstanding legal talent.
