LinkedIn

The Business Audience

Google

The Google Audience

facebook

The Consumer Audience

Facebook Content Campaigns Provide:

- Timely articles sourcing your firm's expertise and specialties
- Third party validation on your firm's reputation and talent
- Geo-targeted campaigns to engaged consumers who are still determining their legal service needs
- Year-round article placement on BestLawyers.com

LinkedIn Content Campaigns Provide:

- A thought leadership focus that further establishes your firm's expertise
- Alignment with Best Lawyers' peer-review methodology and branding
- Positioning in front of engaged business professionals researching topics your firm is looking to assist with
- Audience targeting that can be refined by location, job title, specific industries and more
- Year-round article placement on BestLawyers.com

Google Content Campaigns Provide:

- Customized articles showcasing your firm's expertise and successes
- Leveraging third party validation of your firm's prestige
- Campaigns designed to engage customers still considering their options for legal representation
- Audience segmenting and extensive targeting to position content in relevant Google searches
- Year-round article placement on BestLawyers.com

To get started, select a campaign length and desired audience.

Our content specialists will then begin the discovery process to learn more about your firm, the cases being run and the issues that are top of mind to your potential clients.
